

GT Winter Celebration

Relay Green Trails!

GT's PTO is EXCITED to announce instead of Winter Parties, our students will be participating in a FUN relay to package "Care Bags" for our troops!!

On Friday, Dec. 20th, K-4th students will participate in grade level teams in a fun, winter themed course. There will be a total of 4 stations on the course- each reinforcing a Green Trails Core Value! Teams will receive an item from each station to place in their teams "Care Bags." These bags will be donated to the USO on behalf of Green Trails.

We would love for you to attend and/or volunteer for this event!
